

TRICHOME

The New Wave of Farm to Vape : Live Rosin

LEGACY CULTIVATORS & ARTISANAL HASHMAKING

At Trichome, our multi-award-winning hashmakers honor California's best cultivars and terroirs with intentionally crafted live rosin, extracted with only water, ice, pressure, and passion. From pheno hunts to tailoring temperatures to terps, every 1g all-in-one device is crafted by connoisseurs for connoisseurs and the curious.

SEE THE UNSEEN

- Limited drops - Handcrafted master blends by our artisanal hashmakers in small batches of 500 or less.
- Cultivar variety - Premium and standard strain availability from legacy cultivators, and intentionally selected terroirs.
- Intentional care & craft - Harvested at the peak of freshness and carefully crafted to preserve integrity and enhance experience.
- Premium hardware - Thoughtfully selected hardware for optimal airflow and fine-tune temps for true to flavor delivery from first pull to last.
